

**BOROUGH OF POTTSTOWN  
TRASH, RECYCLING, &  
YARD MATERIAL  
Collection Schedule**

# July 2009

## NOTES:

- No grass clippings will be picked up. Grass is not easily composted and is not collected as a yard material or as a trash item
- All items that have the recycling triangle with a 1 thru 7 may be placed in your blue recycling tote.
- To get rid of bulk items, a bulk sticker must be purchased at Borough Hall.
- The 1st week of each month is yard material pick up. All collected yard material goes to a composting facility. Branches, brush, and other large yard material has to be tied in bundles for easy pick up by one person.
- A new Borough noise ordinance limits trash companies hours of operation to 6:00 am to 6:00 pm. The Police Department and the Codes Department are charged with enforcing this new ordinance. To report a violation of the noise ordinance call the Police Department at 610-970-6570 or Codes Department at 610-970-6520.
- The Borough of Pottstown is working on setting up a local composting site. This may be in partnership with another local government or a site set up in Pottstown. More information will follow as it becomes available.
