BOARDING TIPS

Once your travel route is known, go to any designated PART bus stop. Arrive at least five minutes before the bus is scheduled to leave.

Each PART bus displays the destination route above the windshield. Observe the destination sign carefully since the route begins or ends at many points. Make sure that you are boarding the correct bus.

After the bus has come to a complete stop and the door is open, grasp the handrail and carefully climb the stairs. If you have any questions about the route or destination, ask the driver.
