

Borough of Pottstown Parking & Safety Committee

October 25, 2011

Members in attendance: Jody Rhoads, Chief Flanders, Chief Lengel, Mark Gibson and Mark Boyce.

Mark Boyce:

On Halloween night, several groups will be holding "Light the Night" events during which they will close down one block for each event. They are usually held in Bright Hope Community, North York Street, Chestnut and Washington and Prospect Street.

Chief Flanders: Nothing

Chief Lengel: Nothing

Jody Rhoads:

Has still been receiving complaints about tractor trailers on South Keim Street. He spoke with Doug Yerger, Director of Public Works, and learned that the Borough has two large signs that restrict truck traffic. Mr. Rhoads would like to see the signs installed in hopes that will reduce or put an end to trucks traveling south on Keim Street passed Center Avenue. Corporal Boyce will check for an appropriate location for the signs and work on having them installed.

Mark Gibson:

Nothing.
