Jewish American Heritage month is celebrated during the month of May. We would like to recognize the achievements of Jewish Americans in and their contributions to the United State of America.

May is, also, Asian and Pacific Islander American Heritage month. We would like to recognize the contributions and influence of Asian Americans and Pacific Islander Americans to the history, culture and achievements of the United States.

Mother's day, a day to recognize mothers, motherhood and maternal bonds in general is Sunday, May 10, 2021.

Monday, May 31, 2021 is Memorial Day for remembering and honoring persons who have died while serving in the United States Armed Forces.

The above mentioned observances usually have celebrations attached to them. The Covid-19 pandemic has changed how we will celebrate.

The Commission would like to recognize the men and women who serve as federal, state, county and local government employees during Public Service Recognition, May 3-9, 2021. We commend these dedicated civil servants for their outstanding contributions to our community.

The Commission's May meeting that is scheduled to be held on Thursday, May 20, 2021 is cancelled due to current COVID-19 restrictions currently in place.

Respectfully submitted,
