Pottstown Borough Council
100 East High St.
Pottstown, PA 19464-9525

To Whom It Concerns,

I believe that my term on the Planning Commission will be expiring soon. I would like to offer my interest in continuing to serve on the Planning Commission.

I have served on the Commission early 2012 and have become familiar with the process and responsibilities of the Commission and currently serve as Chair.

I would like to continue to serve and help balance new and re-development in Pottstown with the interests of our residents and public infrastructure.

I am happy to provide more information if necessary.

Sincerely,

Jim Derr
