

Justin Keller:

I understand that with the recent passing of James Smale that there is a vacancy on the Pottstown Civil Service Commission. I would like to submit my name for consideration in filling that position.

I have been a resident of the Borough of Pottstown for about forty years.

I retired from the Pottstown Police Department, having served for thirty five years. I was a sergeant in the department for twenty six years, having served as a patrol and detective supervisor. I was also a team leader on the Chesmont Emergency Response Team.

I have been involved in community activities including serving as an elder and treasurer of my church, participating on the Keim St. Gateway Task Force, and having previously been the chairperson of Montgomery County Office of Children & Youth Citizen Advisory Committee.

I am familiar with the rules and regulations and procedures of the Civil Service Commission.

I feel that I would be an asset to the commission.

Feel free to contact Police Chief Michael Markovich and/or Borough Secretary Virginia Takach if you have any questions regarding my background or character.

Thank you for your consideration,

Keith Edlund
