

Pottstown Borough Authority			
Capital Plan - Sewer			
Project #	Wastewater Treatment Plant Projects	2038	
			\$ -
	Hypochlorite (Sodium hypochlorite vs chlorine gas conversion per HRG)		\$ 200,000
2326	Hydraulic Bypass - #2326		\$ 230,000
	Increase efficiencies of current drum thickener		\$ 250,000
	Valve Replacement WWTP - per HRG		\$ 625,000
	Headworks Storage Improvement - per HRG		\$ 100,000
	Belt filter press - per HRG		\$ 1,300,000
			\$ -
	Generator installation - per HRG		\$ 500,000
	Aeration tank rehab/cooling - per HRG		\$ 790,000
	Centrifugal Blower study - Phase A - per HRG - will be O&M (placeholder)		\$ 27,000
	Aeration Blower and Probe Analyzer - Phase B - per HRG (done through O&M yearly)		\$ 600,000
	Positive Displacement Blower - per HRG		\$ 375,000
			\$ -
			\$ -
	Pavement Improvement Project - per HRG (done through O&M yearly)	\$ 20,000	\$ 320,000
			\$ -
			\$ -
	Digester conversion		\$ -
	UV System - potential		\$ -
	Blowers		\$ -
2322	IT/OT Network Separation - (split with WTP -not included with Townships)		\$ 67,500
	<b>Total Wastewater Treatment Plant</b>	\$ 20,000	\$ 5,384,500
	60% Borough Portion	\$ 12,000	\$ 3,257,700
	<b>Sewer Collection System</b>		
2314	Domestic Water Meters (split with Water)		
1801	Sewer Line Replacement (2021)		\$ 596,862
1801	Sewer Line Replacement (2021) -Inspection		\$ -
	Sewer Line Replacement (2023) Design Only		\$ 150,000
	Sewer Line Replacement (2023)		\$ 6,600,000
	Sewer Interceptor study - Phase A - per HRG		\$ 350,000
	Interceptor Rehab - Phase B - per HRG		\$ 12,180,000
			\$ -
	Total Collection Projects	\$ -	\$ 19,876,862
	<b>Total Sewer Capital Projects</b>	\$ 20,000	\$ 25,261,362
	<b>Borough Only 60%</b>	\$ 12,000	\$ 23,134,562
Notes			
	2022 LPH pumps budgeted through O&M
