Greetings,

My name is Marlene Hedgepeth and I currently reside in Lower Pottsgrove. I attended the Pottstown School District and spent the greater part of my childhood and adulthood years in the borough of Pottstown.

As a semi-retired Human Services professional, I remain actively involved within the Social Services domain, and have a strong desire, in general, to help others, and to contribute toward the betterment of our community as a whole.

This communication serves as a request for consideration on the Borough of Pottstown's Human Relations Commission.

Thank you for your time and consideration in this request.
