Subject: Human Relations Commission Vacancy

To Whom it May Concern;

I, Charlotte Charles, am interested in serving on the Borough of Pottstown Human Relations Commission. I am currently the Treasurer for Pottstown Community Action and the NAACP.

I, also, am on the Democratic committee for Ward 2 in the Borough of Pottstown.

I am involved in the community through Pottstown Community Action participating in Community Clean-ups, Love Your Block and other events sponsored by Pottstown Community Action.

I have been attending the Human Relations Commission meetings and am interested in becoming a Commissioner to serve the Borough of Pottstown.

Thank you for your consideration.
