

Borough of Pottstown
Mayor Stephanie Henrick
Borough Council
100 E. High Street
Pottstown PA 19464

Mayor Henrick & Council Members,

I am formally requesting to serve on the Historic Architectural Review Board to fill the vacancy for the term ending in 2026.

As a homeowner in the historic district since 2000, I have a deep appreciation for preserving the historic character of our community. I also participated in the most recent Citizens' Leadership Academy to broaden my knowledge of the community I call home.

In addition to owning and improving our 113-yr-old home at 1023 E High St., I have had extensive experience working with more than a dozen municipalities in Pennsylvania and Maryland as a newspaper editor from 1981 to 1996. This experience has given me a unique perspective on the importance of maintaining the character of historic communities while also ensuring growth and development.

As a Realtor®, I have also been involved in more than 100 real estate transactions in four counties surrounding the Borough, which has given me a broad understanding of the importance of preserving the historic value of properties. I am confident that my expertise in this area will be an asset to the Pottstown Historic Architectural Review Board.

Lastly, I am proud to serve as the Volunteer Coordinator for Steel River Playhouse, where I have had the opportunity to work with a diverse group of individuals to promote the arts and culture in our community. My passion for community involvement and preservation of our cultural heritage makes me an ideal candidate for this position.

Thank you for considering my application to serve on the Pottstown Historic Architectural Review Board. I look forward to the opportunity to contribute to the preservation of our community's history and character.
