

MAR 20 2019

To Whom it may concern:

Your American Cancer Society has plans to host it's annual Bark For Life event April 27th 2019 in Memorial Park. As was done last year it is our intention to host a very small Beer garden at the event. In order to boost participation, we have changed the hours of the event it's self to 1-5pm.

The event does require a registration and waiver for participants and each participant will be given a bracelet at check in. New This year we will also have two RAMP PA Responsible Alcohol Management certified individuals to check identification upon entry of the "Beer Garden" area. This area will be fenced off with orange caution fencing to separate it from the rest of the event.

Just today we are happy to say we have finally found a tremendous local partner to sell the Beer this year, Locust Lance Craft Brewery

<https://www.locustlanecraftbrewery.com/>

50 Three Tun Road

Suite 4

Malvern, PA 19355

484-324-4141

This event has been a main stay here in Pottstown with over 20 years of raising funds and awareness in the fight against cancer. We tremendously value our relationship with our Pottstown community and especially our borough.

Thank you again!
