Applicant Address: _____

Applicant Email Address *Print Clearly* _____

Contractor Name*: _____ Phone: _____

**If work or install is being completed by the property owner – enter "Property Owner"*

Contractor PA HIC # _____ If Commercial Project, Contractor Pottstown Reg # _____

2. Total Cost \$ _____ Start Date _____ End Date _____

Zoning permits expire after 6 months of issuance. **NOTIFY LICENSING AND INSPECTIONS UPON COMPLETION OF WORK.**

3. Project Type:

Attach an 8 x 11 plot plan to this application showing property lines with street and alley names, all existing structures, and proposed improvements with front, side, rear, and other required setbacks. (Page 3 example is attached.) Accessory structures may not encroach into any public right of way or obstruct any clear sight distance related to sidewalks, street or alleys. All existing structures/accessories are to be included on this plot plan.

Fence **New** **Replacement**

Fences and walls may be placed up to the rear and side property line; however, it is recommended to allow enough room to be able to maintain your property (paint, repair, cut grass, etc.) without trespassing onto any neighboring property.

Fence Height : Side Yard _____ Front Yard _____ Rear Yard _____ (Reference diagram on page 3)

Fence Style : (picket, stockade, shadowbox, etc.) _____

Fence Material : (wood, chain link, vinyl, brick, stone, etc.) _____

Wall under 4 ft ***Wall over 4 ft *** *A building permit is also required*

Shed –Residential use not to exceed 8 feet in overall height and 120 square feet. 3 foot setback from each side yard and at the rear of the property is required. *If a utility is added an applicable building/electrical/plumbing permit is also required.*

Shed Size: _____

- Home Occupation** (Must be accompanied by "Starting A Business/Zoning Review" form.)
- Other Accessory Structure** (includes driveway, gazebo, pergola, etc.) Description _____
- Addition** (porch roof, deck, home addition, garage, etc.) Description _____
- Pool**
 - 1 Choose One:
 - Storable Pool (must be taken down end of season)
 - Above Ground Pool
 - In Ground Pool

2 Size _____ Depth _____ Shape _____

3 A dedicated GFCI is required within 20 ft of pool pump. The location of the GFCI must be shown on the plot plan also showing its distance from the pool.

4 New electrical: An electrical permit is also required

5 The location of the pool must be marked on the ground (paint or fully staked) for the borough to confirm setbacks.

5. I further certify that the information above is true and accurate to the best of my knowledge. I understand that the submission on inaccurate or incorrect information on this form could subject the applicant/owner to a loss of registration within the Borough and revocation of the permit.

SAMPLE PLOT PLAN

Submit Your 8 x 11 (or larger) Plan on Separate Sheet

Show all existing structures/accessories on property.
Show all set-back distances.

It is the Property Owners responsibility to know where their property lines are located. If you are unsure of your property lines plot plans are available on the Montgomery County website at propertyrecords.montcopa.org, or you must hire a surveyor.

Accessory structures/accessories may not encroach into any public right of way or obstruct clear sight distance related to sidewalks, streets, or alleys.
