Kiosks

Kiosks are available in Lots 1 and 2, and at four (4) locations on High Street. They take cash and credit cards. Payments are linked to your vehicle license plate number; ParkMobile zone numbers do not apply. You may pay by your vehicle license plate at any kiosk then park in any public lot or on High Street where paid parking is in effect.

Honor Boxes

Honor Boxes are available in Lots 3, 4 and 6. These take cash.

Guest Parking

Local Businesses may register you under their account as a guest. Ask participating businesses for details.

HOW MUCH?

The fee is 50¢ per hour, with first hour free if you're using ParkMobile on High Street. You must begin a parking session with ParkMobile to receive the first hour free.

In addition, a single 35¢ credit card fee applies for each ParkMobile credit card transaction. This does not apply to the first free hour.

HELPFUL TIP

Add a few dollars using your credit card to your account by using ParkMobile Wallet. You can pay for multiple parking sessions and only have one 35¢ service fee for each wallet deposit.

ParkMobile calculates partial hours for you.
